Board Erection & Maintenance

SD Boards offer a personal friendly & daily board erection/maintenance service to estate agent with our online board ordering system and friendly administration team you can rest assured your boards are being erected quickly and efficiently.

The user-friendly online ordering platform provides the perfect tool for the estate agent to order and monitor their boards.

As we are able to manufacture board stocks in addition to managing the board movements we are perfectly placed to provide unique and/or bespoke boards.

Our continued investment ensures we can offer the very latest in board innovation such as reflective boards, shaped boards and picture boards.

Experience

With over 25 years of experience in board erection & maintenance in the region we provide training to new staff members. Our Administration team maintain a personal line of contact with all our customers.

Our fleet of signwritten vans are fully equipped to complete all tasks & board movements. Driven by smart uniformed install teams, each has a vehicle tracker fitted to confirm the exact location of any one vehicle at any one time. Our regional operations are strongest in the northern parts of the UK and we cover Yorkshire, Lincolnshire & The North East on a regular basis. UK National accounts can be managed through our online portal and our team will organise the despatch of your stock to our network of other UK based trade partners whom we have worked with over a long period of time all with similar values & ethics to our own to ensure the jobs are completed quickly and efficiently.

Online Ordering

The Online ordering system is ideal to manage the board stocks and ensure all board instructions have been placed and is effective in minimising board loss with built in reports & status updates. The database has been developed in-house and continues to be operated/updated by our IT technicians. This is perfect for any 'unusual' or 'unique' order types your business requires for us to accommodate for.
